How many Banzai trips have you been on? Well it's time to pull out your old Banzai t-shirts (or collect your first one) and join in on the fun! If you have never experienced one of Fred's legendary Banzai trips, you don't know what you're missing. Rumor has it that there may even be some Piccadilly people attending this event that we haven't seen in a while.

We are staying in the ski in/ski out lodge at Pine Mountain. The lodge also has an indoor pool, a hot tub and sauna. This is a fabulous value with bus, lodging, lifts, one dinner and two breakfasts included. Anyone who knows Fred knows can tell you that this will be a great time for everyone. We leave Suburbanite at 6:30 pm sharp. You will not be disappointed!
