Piccadilly always strives to stay in comfort and convenience. We only book 2 people per room and provide 1 bath per every two people. This trip we will be staying at the Lodge at Steamboat. These 2 and 3 bedroom condos are **less than 400 yards to the lifts**. Each condo offers a gas fireplace, fully equipped kitchen, free wireless internet, outdoor heated pool and hot tubs (indoor and outdoor). The Lodge has a complimentary shuttle service to the slopes if you do not wish to walk. You will be on the free city bus route for easy access to downtown Steamboat. Why would you want to go any other way?

You may want to take a Steamboat ride down the Colorado River through the Grand Canyon but skiing Steamboat, Colorado will certainly float your boat. This is going to be a week full of fun for skiers and non-skiers. We all know the great skiing to be had for all ability levels at Steamboat. You'll also get a welcome reception, mountain picnic, après ski parties, a farewell party and Piccadilly's own brand of fun. This package includes round trip airfare, all ground transportation, seven nights lodging and a 5 day lift ticket at Steamboat. Downtown Steamboat has a lot to offer: dining, shops, nightlife, all in an Old West atmosphere.

Flight information will be provided by CMSC. We will let you know once they are finalized. Trip includes airport shuttle transportation
