President's Corner

November is an exciting month for PSC as we host our annual Membership Open House Night on Thursday, November 3rd starting at 7:30. And while the name has changed thru the years, the focus and fun has NOT! It's a time to renew your membership at the rolled back rate, sign up for trips, and come out to hear about the latest trends in equipment from Dennis at Viking Ski Shop! It's also the **perfect** night to introduce Piccadilly to someone new. We have great prizes to raffle off and incentives for YOU to tell a neighbor, invite a co-worker, and spread the word! We will be offering a drink coupon at our November 3rd Membership Open House night to all who bring in a NEW friend. See details inside.

After that we cruise into the season of giving and the kick off of our warm weather trip to Punta Cana. There's no slowing down for us!

See you on the slopes! Dawn

Halloween Pub Crawl XXVIII Boo's Cruise By Train! Recap

The PUB Crawl was a huge success! We couldn't have asked for better weather. The sun was shining and this year we didn't need jackets! We were even able to enjoy the beer gardens! There were many gypsies, goblins and people from the 80's, 60's and many more. We made new friends and hopefully some new members for our club. Dancing and lots of fun throughout the night until the last train ride back at 11pm. Thank you Harry for all your hard work putting this amazing day together for all of us! Can't wait until May for the next crawl.

Wallyball

Come join us Monday's from 7:30-9pm from now until May for Wallyball. What is Wallyball, you say? Wallyball is like Volleyball but it is played in a racquetball court. The ball is about the same size as a Volleyball but the surface is like that of a racquetball or handball. As the name implies, you can hit the ball off the wall. The catch is, you cannot hit 2 walls, the back wall on the opposing side, or the ceiling unless the ball is still on your side. The game is very fast paced and is quite a workout. Scoring is the same as Volleyball and we decide that night if we are using "old school" rules or allowing "let" serves and rally scoring. Not sure if you are ready to play? You can view the court from upstairs.

When: Monday's until May, 7:30-9pm (Not Nov. 7th)
Where: Westmont Park District Fitness Club
424 Plaza Drive (just north of Ogden Ave)
Westmont, IL 60559
(630) 789-2673 Cost: \$4 for non-members

Lockers are available in the locker rooms, bring a lock.
Towels are available or you can bring your own

Bike Rally Recap

It was a beautiful day for a bike ride – sunny, cool with a slight breeze and the trees decked out in a blaze of colors. Thirty riders turned out to be challenged by the 18 mile course through forest preserves, subdivisions & cemeteries.

Most completed the course between 3.5 and 4.5 hours. Our winners rode it in just under 3 hours and the sightseers of the day did it in just over 5 hrs. The overall winners were: 1st place - Kevin & daughter Katherine, 2nd place – Martha & Judy, 3rd place – Cheryl & Matt.

Congratulations to Julie & Poli for getting the most correct answers. Last place honors were taken by Mike and Karen. All teams successfully returned without opening their PANIC envelopes but that does not mean that a few of them did not get lost along the way as evidenced by missed questions. All went as planned except for the bottle cap theft, the police stopping two riders and a funeral. Free music was provided courtesy of Jason's Deli company picnic who shared the grounds with us at the Oak Brook Park District. Finally, riders and workers proceeded to DJ's for well deserved refreshments to end the day. Thanks to all the riders and, of course, to my faithful workers without whom it would be impossible to run this activity.
