#### **Happy Holidays PSC!**

Merry Christmas, happy Hanukkah, happy Bodhi Day, joyous Yule, happy Saturnalia, happy Kwanzaa, and especially a very happy ski season!!! *FINALLY*, it's here!

December will definitely be a fun and action-packed month for us. The very first week of December we depart for Punta Cana for sun, sand, food, fun, and, um, adult beverages. Next, we have Trivia night at Bryan's American Grill on December 14<sup>th</sup>, followed by our December 21<sup>st</sup> holiday meeting. Be sure to attend this one because Santa will be on hand to hear the Christmas wishes of all good PSC boys & girls. Don't worry, he'll hear your wish too, even if you've been naughty. 😊 Remember to wear your ugly Christmas sweater, and bring a \$5.00 grab bag gift for our gift exchange. We'll have a trivia quiz also, and this could be the year I finally win...?!?

Last month PSC volunteered for a night of work at Feed My Starving Children. It really brings out holiday spirit and good cheer to do something for others. This holiday season as we enjoy the many blessings, we're lucky enough to have in our lives, let's remember those less fortunate, and let's all do something meaningful for them as well.

Let me close by giving a heartfelt thanks to all the people who contribute their time, creativity, and energy to make this Piccadilly the #1 best overall ski club in CMSC!!! Thank you very much to all our volunteers, trip leaders, club officers, and everyone who pitches in to get things done. And a special thank you as well to everyone who faithfully shows up for every meeting and supports our great club. "God bless us, everyone!"

Merry Christmas and a very happy new year.

---Paul F---

## Where in the World is Piccadilly?

Let's find out! As you travel to near and far places, bring along PSC logo gear and take a photo of you with that swag (neck wallet, jacket, facemask, business card, pin, bandana, shirt, coat, vest, backpack, koozie, etc.) Be sure to show the PSC logo in the photo, and you of course, along with your travel location as your backdrop, and email it to me, Dawn, at [rockaroche3@gmail.com](mailto:rockaroche3@gmail.com) subject line: Where in the world... It does NOT have to be across the world, but it would be fun if it was, and hopefully somewhere identifiable. Or, we'll have fun guessing.

## Take Piccadilly on your next adventure!

### Social Media

Ahhh yes, we all remember a simpler time without cell phones glued to our palm. But they're here to stay and Social Media is a part of it all. Did you know Piccadilly is on Facebook, MeetUp and Instagram? Why? We are working hard to promote our club to attract and keep new members. Using Social Media is a way of reaching and introducing our club to a new demographic. This will help ensure the vitality of Piccadilly and keep it growing into the future!

#### How can you help?

- You can "Like" our Facebook posts, and share them.
- You can "Follow" us on Instagram and "Like" our posts.
- You can sign up for MeetUp and use it to RSVP for events and meetings.

**Create Your MeetUp Account** - People need to RSVP to events on MeetUp and so it's very important to be a PSC MeetUp member. Your information is kept private, just post your facial picture so we can associate the member with an event. We use this convenient tool to communicate with you for our events, like where to gather, last-minute event changes, or weather alerts. Please help our Event Hosts reach you for notification and help them know who to look for so we can sit together! We also use MeetUp to give a headcount to Miller's, so they can assign proper staffing, and finally, we can attract more MeetUp members, which translates to new Piccadilly memberships to keep our club thriving. [www.MeetUp.com](http://www.MeetUp.com) As you can see, there are many good reasons to create your account today! If you need help, see one of your board members. - **Thanks, Pam**

**Follow us on Instagram** - Please go to your Instagram account, search for Piccadilly Ski Club and "follow" us. That's all you have to do. Then PSC will follow you back. It's another way of promoting our club, attracting new members and keeping our club thriving.

**"Like us on Facebook"** Help Piccadilly reach more potential members!

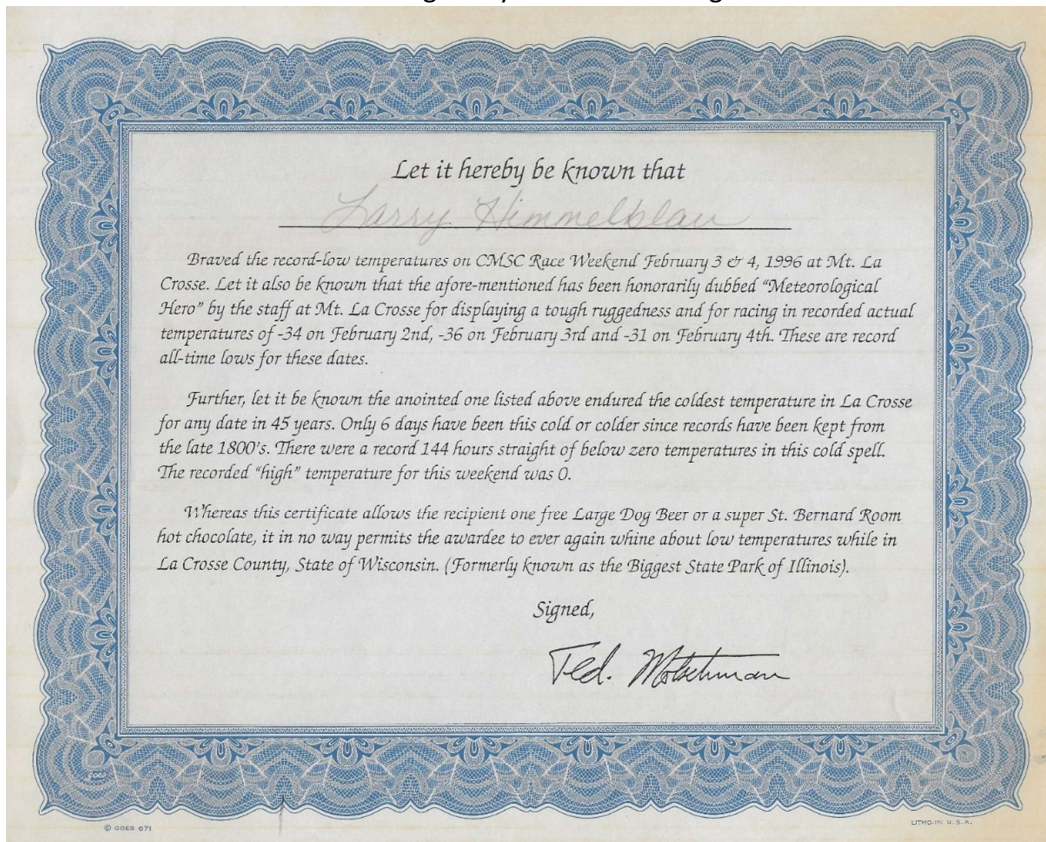

## PSC Favorite Ski Stories & Pics

**HEY PICCADILLY! Where were you 27 years ago?**

It was the winter of 1996. PSC ran a February ski trip to Lacrosse Wisconsin in coordination with the CMSC racing weekend. I think most of PSC was safe and warm in the bar all weekend. Several of us were looking forward to a challenging competition of ski racing but the Norse God Loki had other plans. The challenge was not just to get the fastest time thru the gates but to simply survive the record-breaking arctic temperatures. If not for the artifact I discovered this story would have been lost to the ages. My memory of this event is a bit foggy, but I think that was due to the lack of blood flowing to my head while skiing at NEGATIVE 36°F.

**Send us your stories. ☺ Cheers, Larry Himmelblau – Historian**

### **King Keyser Shop & Save - Rhyming Recap**

*Wine & good cheer,*

*to kick off winters near.*

*Tune-ups, sweaters, t-shirts & boots*

*with a surprise 20% savings on our ski loot!*

**Vicki's Halloween WINE Event** - On October 27<sup>th</sup>, 28 wine aficionados joined in the fun at Cellar 406 in Downers Grove. There were lots of fun costumes: We saw a Princess, a grossly overweight Navy Seal (with Johnny 7 OMA), a Cowboy, a Pineapple, the Riddler, Barbie & Ken, pumpkins, witches, a few hippies, and many in Halloween-wear.

There were 6 bottles in the wine tasting covered in witches' hats to make it a blind tasting. We had 1 sparkling, 2 whites, 3 reds. Charlene, our Master Sommelier, prepared descriptions for 10 wines. During the tasting, each of our wine aficionados had to guess which wine they were tasting from the descriptions. **Jackie, Joy, Linda, and Paul** tied for first place! They each guessed four of the six wines. The four-way tie breaker was to sip a special liqueur and guess the flavor. Funny faces were made during this taste, but Joy won the grand Wine Glass 😊

The next prize was for the costume. votes, and there were no (drum roll....) Princess Dawn, who using her princess wand! We some bought additional bottles to share.

Everyone submitted their tiebreakers. Our winner was was having a great time polished off all of the wines, and

From there, 22 gathered at Vicki's house for chili, and some of our aficionados brought appys and wine. Two pots of chili were quickly consumed, and I wish I had made more.....sorry, all. We enjoyed great conversation and dancing until it was time to say good night. Thanks to everyone for joining the fun and for bringing such great food and wine! We had a great time!! - **Vicki**

**Chicken/Veggies/Soy/Rice – Recap** Well, what a fun night. First off, 10 of us started by grabbing a meal at Mission BBQ, a veteran-owned chain of restaurants. This was a perfect gathering where we were close to our FMSC assignment and got a chance to kibbitz ahead of time over some pulled pork, yummy brisket, a myriad of sauce options and the requisite cheesy potatoes.

Next up: Head over and meet up with the rest of the gang to pack meals for underprivileged families all over the world. Since we were 20 strong,

we got our own packing station, and did our best to make as many meals as possible while listening to some great music. Of course, we were dancing and packing and singing and packing, making this a fun adventure for us Piccadillians. Vicki and Dawn changed the words to the Sister Sledge song:

We are Piccadilly... I got all my skiers with me.... We are Piccadilly... everybody get up and ski. *FYI, watch for the new album to 'drop' next week.* And I have to say is that we can really “rock” the hairnets!

After a slower start to our packing session, we built up steam, refined and honed our craft, and ended up packing 25 boxes, just us PSCers. This is really good!!! Hooray for the “seasoned professionals” In total, the whole group of packers for the evening made 31,000+ meals and fed 86 kids for an entire year in our little 1.5 hours of volunteering. Such a good feeling!

Afterwards, 8 energetic PSCers found Solemn Oath Brewery close by and sampled some of their delicious brews. One was called October – how fitting – and we topped it all off with some Halloween treats that Sandi brought. No need to do any tricks, however, thank goodness. We ended up closing up the brewery, and all headed home for the night. Note to JOJO Social: Solemn Oath has a cute outdoor seating area we could explore for a happy hour next spring/summer!

Thx to all who see the heart of this charity the same way we do..... a fun, yet truly rewarding experience. We hope to run more of these in the future! - **Dawn**

## **John Hussar I &M Canal and Imperial Oak Hike and Brew**

**Recap** We couldn't have had better weather for the hike! A beautiful sunny day with very little wind was just fine for the 21 eager hikers and 1 non-human, Millie the dog.

The hike was 4- 4 ½ miles total and brought us back to the follow up portion of this "two-fer" event, The Brewery! The gang was now thirsty and looking for a nice cold brew.

Snacks were abundant including chips and dips, big pretzels and wonderful popcorn, my Southwestern deviled eggs went over very well also. The snacks held us over till the "Tamale Spaceship" opened.... A variety of Tacos and Tamales. Some people also enjoyed the wood fired pizza from Pizza 750 just a door or two over to the east.

We had a few new members join in, Nancy and Brad, and new attendees, Danny and Mary, who picked up on our hike that day from Meetup. About 30 people were there ready to take on the world's problems but I think we just shot the sh— instead, LOL 😂. A great afternoon was had with old and new friends to be, on the trail and in the brewery. See you on the trail for our next adventure! – **Johnny O**
